

It's time for the Block #3 tutorial from Riley Blake's Meet the Makers series. (You can see my previous blocks + find the tutorials for [Block #1 here](#) and [Block #2 here](#).)

Once again, I'm using a mix of fabrics from my [Gingham Girls](#) and [Sunnyside Avenue](#) collections.

Here is the video tutorial for this fun star within a star, Block #3. The Fabric Requirements per block are (as used in the solids version in the video):

Riley White:

- 4 – 3" x 5 ½" rectangles for large flying geese
- 4 – 3" x 3" squares

- 4 – 3" x 1 ¾" rectangles for small flying geese
- 4 – 1 ¾" x 1 ¾" squares

Cayenne:

- 1 – 3" x 3" square

Lipstick:

- 4 – 3" x 3" squares

Petunia:

- 4 – 3" x 3" squares

Sugar Pink:

- 8 – 1 ¾" x 1 ¾" squares

If you prefer to make your flying-geese using the [no-waste four-at-a-time flying geese method I've got a tutorial here as well as a cutting chart.](#)

\*Important note: if you use the no-waste method above, you will cut your fabrics differently than the cutting list above.

For the four outside flying geese blocks you will need one large white  $6\frac{1}{4}'' \times 6\frac{1}{4}''$  squares and four colored  $3\frac{1}{2}'' \times 3\frac{1}{2}''$  squares.

For the four smaller inside flying geese blocks you will need one large white (or I used a print)  $3\frac{3}{4}'' \times 3\frac{3}{4}''$  square and four colored  $2\frac{1}{4}'' \times 2\frac{1}{4}''$  square.

Here's my variety of stars for this week's block. This time I decided to mix up the colors a little more so that I can play with more of the different fabrics and combinations. Because scrappy makes me happy.

But here's an example of a quilt made with a [similar quilt block in only 2 colors](#) and I love it too!
