

Fun and Fabulous 4th of July Mini Quilt

by Melanie Call

SUPPLIES NEEDED

This project finishes at 21½" x 21½"

Dies:

[AccuQuilt GO! Qube 12" Mix & Match Block Die Bundle \(55778\)](#)

[AccuQuilt GO! Star - 2", 3", 4" Die \(55028\)](#)

Fabric:

Fabric 1: 1 fat quarter (blue small floral) *block and border

Fabric 2: 1 fat quarter (red floral) *block and border

Fabric 3: 1 fat quarter (blue floral)

Fabric 4: 1 fat quarter (red)

Fabric 5: 1 fat quarter (white)

Fabric 6: 1 fat eighth (blue stars)

Fabric 7: 1 yard (binding and backing)

Fusible Web: I used Heat N Bond-LITE (purple package)

*I used Bonnie & Camille Fabrics designed for Moda Fabrics

Cutting Directions:

(die # in GO! Qube Mix & Match 12" Block)

Fabric 1:

Cut (5) 3½" x 3½" squares (die 2)

Cut (2) 3½" x 15½" rectangle for border

Fabric 2:

Cut (4) 3½" x 3½" squares (die 2)

Cut (2) 3½" x 15½" rectangle for border

Fabric 3:

Cut (4) 3½" x 3½" squares (die 2)

Fabric 4:

Cut (4) 3" finished half square triangles

(total of 8 triangles) (die 5)

Fabric 5:

Cut (4) 3" finished half square triangles
(total of 8 triangles) (die 5)

Cut (4) 3½" x 3½" squares (die 2)

Cut (1) 2" star with fusible web backing

Fabric 6:

Cut (4) 2" stars with fusible web backing

TIP: When cutting half square triangles - place Fabric 4 and 5 - right sides together. The half square triangles will be matched up after cutting and ready for sewing!

SEWING DIRECTIONS

Use a $\frac{1}{4}$ " seam for block assembly.

1. Sew together Fabric 1 - five $3\frac{1}{2}$ " square and Fabric 2 - four $3\frac{1}{2}$ " squares to create a nine-patch.

2. Sew together Fabric 4 and Fabric 5 - 3" finished half square triangles. Total of eight 3" finished half-square triangles. (Current measurement is $3\frac{1}{2}$ " x $3\frac{1}{2}$ " half square triangle block.)

SEWING DIRECTIONS *(continued)*

3. Sew together block pieces as shown in image below. Sew the side units to the nine patch block to create the center unit before sewing the top and bottom rows to center unit.

4. Sew together block pieces as shown in image below. Sew the side borders to block to create the center unit before sewing the top and bottom border rows to center unit.

SEWING DIRECTIONS *(continued)*

5. Fuse one white star to block center and one blue star to each border corner according to fusible manufacturer instructions. When fusing blue corner stars, do not center the star as you will be adding a binding to your project. The binding will be approximately $\frac{1}{4}$ " all around project. To allow for seam allowance, I placed the star approximately $\frac{1}{2}$ " from sewn seams and $\frac{3}{4}$ " from outer edge.

OPTIONAL: Use your FREE AccuQuilt embroidery file downloads and machine embroider around each shape. OR you can machine appliqué / stitch around each shape free-hand. The stars would look fabulous embroidered with red thread!

QUILTING AND FINISHING

1. **Layer** batting between project top and backing.

2. **Pin** or spray baste layers together.

3. **Quilt as desired** - I chose an all over stippling pattern. If you choose to quilt over your shapes make sure your fusible web is designed for quilting so your needle doesn't become sticky or break (Heat 'N Bond LITE).

4. **Cut** two 2½" x width of fabric strips for binding. Bind project with preferred method.

QUILTING AND FINISHING

I absolutely loved sewing my Fun and Fabulous Fourth of July Table Topper / Mini Quilt! It is the perfect holiday decoration for your home and can easily be used for Memorial Day, Flag Day, and Fourth of July!

PLUS - Did you know you can make this block pattern with ANY of the GO! Qubes? Your finished block (and border) will just be different sizes. Just make sure you use the matching Die 2 and Die 5 (from the same size Qube) and it will totally work!

I absolutely LOVE the GO! Qube Mix & Match Block System and would love to share more ideas using it!

Thank you so much reading my tutorial. I can't wait to see your Fun and Fabulous Projects too! Be sure to share your projects with me and AccuQuilt on social media. Tag me @abitofscrapstuff and @AccuQuilt on Instagram and always hashtag #AccuQuilt so we can see them! Give us a follow while you're there and you'll be the first to know what we're making.
