Stitch 4 pieced squares to make a whole 6" block, following the numbers 1 to 5.

Begin by sewing 2 different print 1.5" squares (step 1–2). Add a dark 1.5" x 2.5" strip at the top (step 3). Sew a light 1.5" x 2.5" strip at the side (step 4). Sew another light 1.5" x 3.5" strip at the top (step 5). Voila, you've finished your first quarter. Make 4, carefully watching the placement of light and dark prints.

Stitch together 2 pieced squares to make 2 rows. Again, carefully check the orientation of those. Sew 2 rows together. That's it!
